MEMORANDUM FOR: Director of Medical Services

25X1 SUBJECT : [REDACTED] Federal Career
Development Program Professional Applicant
Test Battery

25X1 1. Pursuant to the Deputy Director for Support's Memorandum for the Record of 12 March 1968, subject as above, discussions have been held by Chief, Recruitment Division, Office of Personnel and Chief, Assessment and Evaluation Staff, Office of Medical Services concerning campus and off-campus locations for the resumption of PATB as an admitted but not advertised Agency testing program. Discussions have been held with OL about the possibility and ramifications of procuring space for testing in Federal buildings. And, C/RD/OP and C/AES/OMS

25X1 2. C/RD/OP has prepared for C/AES/OMS a suggested list of campus and off-campus testing sites as well as a list of those recruitment offices from which recruitment programs are presently directed. OL has requested GSA to advise its Regional offices of our needs for Federal space for testing; we await their response.

[REDACTED] has assured us of their willingness to administer an open testing program on campuses and will bend every effort to provide the necessary personnel to man off-campus testing sites in Federal buildings. They stand ready to negotiate a contract to implement such a program to begin on or about 1 July 1968.

4. The following actions are on-going or contemplated during the period of transition from FCDP to the "new" PATB:

a. The conduct of an "interim" testing program on off-campus facilities waits the availability of space in Federal buildings.
